INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Personally appeared before me N.M. McDaniel a Notary Public in and for said county, John J. Donley who makes oath in due form of law that he is the father of Sallie Miller who's maiden name was Sallie Donley, that her grandmother's name was Adrie Donley, that Adrie or Adra' Donley's maiden name was Adra Henson, that Adra Henson was a daughter of Loyd Henson who died many years ago in Haywood county N.C. that the younger members of the Henson family moved from that county to this county and if they knew anything about the enrollment of the cherokees, he does not know why they did not enroll. That is is and has always been his understanding that the said Henson family was of a Cherokee family, That none of his family were ever held as slave and that they pass as white people. That he does not know if the Henson family were ever parties to the treaties of 35 & 46 That Sallie Miller's application number is 29605, That affiant is a brother of Martha Donley and Nancy Ann Donley who appeared before you at Madisonville, Tenn. Application No. 39623.

Russellville, Mo., May 2, 1908.

Hon. Guion Miller,

Washington, D. C.

Dear Sir:-

In reply to your inquiry of the 21st of April 1908, herewith enclosed, I will say that my mother Martha Wilson through whom I claim was born in 1854, or about that time, in Missouri. Her father was born about 1825, in Campbell County, Tenn, or in Missouri, or on the road here; I can not say positively. I do not know why they were not enrolled-that is my parents and grandparents. They were not slaves.

I claim through my great great grand mother, whose maiden name was Martha Davis.

I am the son of Martha Wilson; Martha Wilson is the daughter of Christopher Murray(Jr); Christopher Murray jr. was the son of James Murray; and James Murray was the son of Martha Murray, whose maiden name was Martha Davis.

Respectfully yours,

John W. Wilson

Testimony in case of 29623, John W. Wilson.

Appl. 29623

William M. Wilson being first duly sworn, deposes and says:

My name is Wm. M. Wilson. Husband of Martha J. Wilson who has filed an application.

I think my wife's father was living in Cole Co. Mo in 1835. My wife's grandfather lived in Cole Co. Mo. in 1835. I am the father of John W. Wilson and Margaret J. Bolton. I do not claim a share in this fund. My wife's grandfather never lived with the Indians as a member of the tribe. My wife's ancestors were recognized as white people, and had Indian blood. They always lived with the whitepeople.

John W. Wilson being first duly sworn, deposes and says:

My name is John W. Wilson. I live at Russellville, Mo. I was born in 1872. I was born in Cole Co., Mo. I claim my Cherokee blood through my mother through my great grandfather. I think my mother was born in Cole Co., Mo. about 1850 something. My mother is living and has filed an application. Her name is Martha Jane Wilson. # She gets her mail at Russellville, Mo. I claim through my grandfather. I could not say where my grandfather was born. He died in I.T. I don't know when. I don't know where my grandfather lived in 1835-6 and 1846. I guess it has been 10, 12 or 14 years ago since he went to I. T. He is not living now. I don't know when he died. He did not get any land in I.T. I think my great grandfather was living in Cole Co. Mo in 1835-6 and 1846. I never heard of any of my ancestors being enrolled. I never heard of any of them living with the Indians as members of the tribe. I have one brother who has filed an application, George H. Wilson. #28986.

COURT OF CLAIMS EASTERN CHEROKEES. Rec. JUL 10 1909
No.

State of Georgia, Whitfield County.

Personally appeared before me the undersigned, a Clerk of the Superior Court, in and for said County, Uriah H. Summey, with whom I am personally acquainted and whom I certify to be credible and entitled to belief, who being duly sworn, according to law deposes and says, relative to the foregoing page, in the matter of application No. 29634, Arie Caldwell, Dalton, Ga., R.F.D. #1, as follows: I was born in Lincoln Co., N.C., July 4th, 1827, and moved to Murray County, Georgia when I was quite young.

Deponent further states that he was personally well acquainted with Joe H. Helton and his wife Easter Helton, who formerly resided in Murray Co., Ga., near Springplace, and that they were partly Cherokee Indian and very much resembled Indians, although deponent does not know just what per Cent. Deponent does know that Joe Vann and Jim Vann, Indian (Cherokee who resided at Springplace were the uncles of the said Helton, which would make the said Joe H. Helton considerably mixed, as was his said wife.

Deponent further states that he remembers the treaties with the Indians in 1835-6 and 1848; that he remembers that said Helton ~~was~~ was living among the Cherokee Indians when said treaties were made and that he resided in Murray Co., Ga., in 1835 and in 1851; in the year 1835 Mary Ann Helton was born to the said Heltons, and in 1850 she became the wife of deponent to whom was born Claimant's mother, Martha F. Orr, (nee Summey)

Deponent further states that his said wife is dead and that he has no interest, either direct or indirect in the prosecution of this claim, further than the natural interest of a grand-parent, which would not be of sufficient incentive to cause him to state other than the facts as he knows them to be.

State of Georgia, Whitfield County..

In Re: Arie Caldwell, Applicant No. 29634, Claimant for participation in the fund arising from the judgment of the Court of Claims of May 28th, 1906, in favor of the Eastern Cherokees.

Now comes the Claimant in the above stated case and files this her formal objection to said finding and says:

My name is Arie Caldwell,

My Postoffice address is Dalton, Ga., R.F.D. #1.

(1) I am a direct descendant of Joe H. Helton and Easter Helton formerly residing in Murray Co., Ga., near Springplace, Ga.

(2) Said Heltons were nearly full-blooded Cherokee Indians; Joe Vann and Jim Vann, brothers, Cherokees, who resided at Springplace, Ga., were the maternal uncles of said Joe H. Helton, ancestor of the Claimant herein.

(3) Mary Ann Helton was a daughter of said Joe H. Helton and Easter Helton and was born in Murray Co., Ga., January 12th, 1835. She became the wife of U. H. Summey, to whom was born Claimant's mother Martha F. Orr, Application #1772.

(4) Said Joe H. Helton and Easter Helton, through whom claim is made, lived in Murray Co., Ga., in 1835 and in 1851 and lived among the Indians when the treaties were made, and were the ancestors of Claimant.

They had no other name than their English name as aforesaid, but said Helton's mother was a Vann, and he therefor belonged to that family.

Wherefore, Claimant prays that these her exceptions as aforesaid be filed and that the merits of her claim as aforesaid be reviewed and determined according to the evidence herewith submitted.

Arie Caldwell Claimant.

Personally appeared Arie Caldwell, Claimant in the above stated case, who being duly sworn according to law, deposes and says that the facts set out in the foregoing, so far as come within her knowledge are true and so far as derived from others she believes them to be true.

No. 29641.

Andrew J. Winters, being first duly sworn, deposes
and says:

My name is Andrew J. Winters; I live at Bryant, Ala.; I was born in 1857 in Dade County, Ga.; I claim to be connected to the Indian tribe that came from North Carolina; I think it was the Cherokee. I claim through my father and his father. My father died in 1862; he was about thirty years when he died; I do not know when he was born. My grand-father's name, through whom I claim was Uriah Winters; I don't know what part of the county he came from.

All I know about my having indian blood is that my mother when she used to get mad at me would call me "little indian". I never heard of my father or grandfather getting any money or land from the government on account of their having Indian blood. I never heard of my father or grandfather living with the indian tribe- so far as I know and have heard they always lived with the white people. I think it is Cherokee Indian blood that I have in me because it was mostly the Cherokees that lived in this part of the country. I have never been enrolled; I never tried to be enrolled before this time.

CAF/ED

Robert Webber being first duly sworn in behalf of Lila Rider, deposes and says:

I am about 69 years of age. I was born and raised in Okla. I know Lila Rider, the applicant. She is about 26 years of age. She was born in Oklahoma. She is enrolled by the Dawes Commission, No. 2517 (Freedman). She gets her Indian blood from both parents. Sarah Vann was the name of her mother. She was Sarah Smith before marriage. Her first husband was named John Vann. She has been dead two years and was about 52 years old at the time of her death. She was born in this country, Oklahoma. Lila Melton was the name of my grandmother on my mother's side. She married Keys. Then she married a Smith. If her grandmother was living, she would be about 75 years old. She was born in Oklahoma. Joe Vann was the name of her grandfather. I think he was born in the East. I don't know when he came West. On her mother's side they were emigrants. They lived in Tahlequah District in 1851. Jack Smith was the name of her grandfather on the mother's side. I don't know where he was born. If he was living he would be about 80 or 90 years of age. He was living in 1851. Lewis Melton owned her grandmother and then Isaac Keys owned her. Webber owned her grandfather. The same people owned her mother. John Vann was the name of her father. Her father was never a slave. He was an Indian. Her parents were not married before the war. They got married afterwards. Lizzie Terrell was the name of her grandmother on her father's side. She died about the time of the war. She was living in 1851. Lizzie Terrell and Joe Vann were living together in 1851. Joe Vann lived in Tahlequah District. John had no brothers and sisters. I don't know whether Joe had any brothers or not. Joe was mixed blood, Indian and negro. I don't know any Indian names that these people had. Lizzie had a sister named Rachel Terrell. She married but I don't know to whom. Her mother and father got the Wallace Payment. That was money which we colored folks got after we sued the Cherokee Nation for it. They paid the Cherokee Indians but they didn't pay us colored folks, so we sued and got the Wallace Payment. They, the Vanns, were on the strip roll in 1880 and have always been recognized as Cherokee Indians. I think Lizzie Terrell had a brother named John Terrell. Applicant associates with the colored people of this community.

Mrs. Carrie Smith, being first duly sworn and examined,
deposes and says:

My name is Carrie Smith: I was born in Whitfield Co.,
Ga. 1879: I claim Indian blood through my father;
my father was born in Lumpkin Co., Ga. 1857: my father got
his Indian blood through his father: my father's father's
name was Loris Rawlston: I never saw my grandfather through
whom I claim: I do not know where he was born or where he lived;
I am unable to trace my Indian ancestry farther back than my
grandfather: I claim no Indian blood through my mother:
in 1811 my father had not yet been born: I think my grandfather,
1825, lived in Whitfield Co., Ga.: I do not know any other
names of my grandfathers other than my father and grandfather;
none of the ancestors through whom I claim were ever held as
slaves: in 1898 my father went to the Ind. Terr. and drew
land as an Cherokee Indian and died in Ind. Terr.: my father's
sisters, Mrs. Agnes Shannahan, Nancy R. Sager; and my
father's brothers, Louis Rawlston, John Rawlston and James
Rawlston went with him when they were young and drew land as Indians
in Ind. Terr. and most of them live at present in Ind. Terr.:
I do not know whether they live in the Cherokee Nation or not.

Mrs. Carrie Smith

Relative to your application for participation in the Eastern Cherokee Fund, please state whether your parents were enrolled in 1881? If not, why? Were any of your grand-

State clearly all your reasons for thinking that you are entitled to share in this fund.

An early reply will be appreciated.

Appl. #29692-29691

William H. Smith being first duly sworn, deposes and says:

My name is William H. Smith. I am not enrolled by the Dawes Commission. I was born in 1852. My father and mother were both part Cherokees. My father was born in middle Tenn. He moved from Tenn. to Ark. in 1872. He has been dead about 17 years and was about 78 years old when he died. My father was a recognized member of the tribe when he was in Tenn. I could not say why he did not move out here when the Indians immigrated out here. Of course he was living with the Indians as a member of the tribe in 1835. He never rec'd any money or land from the Govt. on account of his Indian blood.

My mother has been dead about 19 years, and she was about 81 years old when she died. She was also born in Tenn. She never received any money or land from the Govt. on account of her Indian blood.

I cannot say whether I was rejected by the Dawes Com. or not. My father died before it was settled. Somehow it was not put through. I reckon it was our fault that we did not get the land.

I don't know whether my father had anything to do with the Treaty in 1835 or not. I could not say whether he was a party to the treaty or not.

My father never was admitted to the tribal councils. He never had anything to do with Indian proceedings.

Dear Sir:

I received your letter. This is the first time I have put in for a claim that is the reason why I was not enrolled before. I don't know if my father ever put in for a claim. I never heard my father say whether my grandparents were ever enrolled or not. I don't know if my ancestors were parties to the treaties of 1835-6 and 1846. I claim through my father Silas Grissom and my grandparents, Bill Grissom and Rachael Grissom. My father's grandfather was named Wolf. That ancestor lived in North Carolina in 1851.

No, none of my ancestors were slaves. I pass as colored in the community in which I live. My grandparents were full blood Cherokee Indians and lived in the mountains of North Carolina.

Very respectfully,

Irene Clifford Austin.

Lemuel Main being first duly sworn, deposes and says:

That I am 65 years of age and live in Campbell Co., Tenn. I claim my Indian descent through my father; my father is white. My mother was born and raised in Ashe Co., N. C. Don't know when. She died about 15 years ago and was 65 years old then. She left Ashe Co. in 1866. I was born and raised in Ashe Co., N. C. I was never on any Indian roll myself and never lived among the Indians as a member of the tribe. Neither did my mother. My mother's parents were born in Ashe Co., N. C., I think. They were never on any rolls that I know of, neither was my mother. My grandparents on my mother's side never lived with the Indians. My grandmother, Nellie Roarke, was a full blooded Indian. My mother's brothers were Charles, Ned, Jesse Lewis. Nellie Lewis was a sister, Letty another. My wife is white.

My name is Marshall Shelton. I live at Villanow, Ga. I was born in 1862 in Bartow Co., Ga. I claim Cherokee Indian blood through my father and his mother. My father died in 1907 and was 74 years old. I don't know where my grandmother on the side through which she came from. She was born in Eastern Cherokee State. My father was recognized as a white man. I don't know about my grandmother whether she was recognized as white or Indian. I have heard my mother talk about being an Indian. She could talk the Indian language. My father lived with the Indians before he was married. He was a fiddler and used to rāy for their dances. The Indians the men and women would have dances and my father would play from them, and they would give him gold and silver coins. I thought my father had Indian blood because he looked liked it, and he claimed it. I don't know the name of the Indian ancestor through whom I claim my Indian blood. I never heard of my father or my grandmother getting any money or land on account of their Indian blood. I never heard of their being enrolled with the Cherokees. My grandmother died in Franklin County. I don't know what state, either Georgia or Tenn. In 1882 I was living in Floyd Co. and Chattooga Co. G. I don't know why I was not enrolled with the Cherokees at that time.

Rec. JUL 12 1909
No. 29715

circ. lit.

Villanova, Ga.,
July 9, 1909.

Union Miller, Esq.
Washington, D.C.

Sir:- I write to know
on what grounds my father's
application, no. 29315, for par-
ticipation in the fund arising
in behalf of the Eastern Seer-
okers has been rejected.

I know that his application
was sent in and that he was
entitled to a share in this fund.
He was a full-blood Quarters.
His application was sent in from
Rome Ga. His Christian name was
John and I'm his son and have

learned from him the facts
herein given. He was nineteen
years old in 1861.

I would appreciate any in-
formation as to any weakness in
the application because I
feel sure that I can secure
sufficient evidence to make
it plain to the Court of Claims
that my father, and hence I
through him, is entitled to a
share in the Eastern Chero-
kees' fund.

My father enlisted in the rebel
army and served four years, receiving
an honorable discharge at close of war.
Yours sincerely, Marshall Shelton

No 44436-16388.

Dear Sir:

On the 24th Inst, in compliance with your request I appeared before Stanley A. Foutz, at Ada, Okla, to give testimony in regard to my claim to participate with the Eastern Cherokees.

It may possibly be that I did not give a clear chain of title showing that I am a direct descendant of the Cherokee, and if so, it is due only to the fact that I am the youngest son of our family, and a great deal of our family history has been by me forgotten but is well known to the older members of our family.

I wish to state, that if my chain of title in my claim is not complete or lacking in any respect I can obtain the additional information from the older members of my family and would be pleased to furnish same if required.

Yours very truly

Arion Brown
